Dear Don:

In a society that is increasingly invaded and regimented by computerized data banks filled with assorted bits of information on individuals, it is heartening that ACA 51 has passed the Assembly and is now in the Senate. I hope that, despite the inevitable pressures from those businesses that can profit from the various invasions of privacy, ACA 51 will make it through the Senate as it did through the Assembly.

Your support of ACA 51 will be greatly appreciated.

Sincerely,

HUGH BAYLESS
City Administrator
