Dear Assemblyman Cory:

MEMBERS

PAUL J. ANDERSON  
Supervisor, Riverside County  
Riverside

The Intergovernmental Board on Electronic Data Processing (IBEDP) is a statutory body of the State of California consisting of 14 members representing cities, counties, schools and State agencies. The Board has the responsibility to establish goals and objectives for intergovernmental information systems in California, in addition to establishing general policies and providing assistance in areas of systems coordination and privacy and confidentiality of information about individuals.

HOWARD W. CAMPEN  
County Executive  
Santa Clara County  
San Jose

WILLIAM F. CORNETT, JR.  
City Administrator  
Fullerton

TERRY EAGAN  
Assistant to the Secretary  
Resources Agency  
Sacramento

The Board, acting in a clearinghouse function, can serve you and your staff in matters concerning electronic data processing and computer privacy and security by providing information directly to you or by placing you in contact with those who can respond to your need.

DR. OWEN GRIFFITH  
Board Member, Torrance  
Unified School District  
Torrance

O. J. HAWKINS  
Deputy Director  
Department of Justice  
Sacramento

We are fortunate to have statewide coverage, including many local contacts on the policy and technical levels. The Board is assisted in its duties by a Technical Advisory Committee made up of data processing managers from throughout the State and a well-informed policy committee on privacy and security.

RAYMOND S. LONG
