Re: Conduct on October 25, 2011 in connection with Occupy Oakland

Dear Sheriff Ahern:

The American Civil Liberties Union of Northern California and the San Francisco Bay Area Chapter of the National Lawyers Guild have grave concerns about the conduct of the Alameda County Sheriff's Office in connection with its participation in Oakland Police Department's enforcement actions against Occupy Oakland on October 25, 2011. News accounts and video recordings raise numerous questions about the Department's handling of these events, including, whether the Department complied with the Oakland Police Department Crowd Control and Crowd Management Policy.

The present situation demands transparency. We therefore request that you immediately release the following documents that would further the public's understanding of yesterday's events. This request is made pursuant to the California Public Records Act (PRA), the Oakland Sunshine Ordinance, and Article I § 3(b) of the California Constitution.<sup>1</sup>

In particular, we seek the following records:

- 1) Records indicating the number and identity of members of your agency participating in Occupy Oakland enforcement actions on October 25, 2011.<sup>2</sup>

<sup>1</sup> California Public Records Act (Gov't. Code § 6250 *et seq.*); see Cal. Const. Art. I § 3(b).

<sup>2</sup> As the California Attorney General has made clear, the confidentiality laws that protect peace-officer personnel records do not authorize a police department to withhold the names of officers involved in such incidents. California Attorney General Opinion No. 07-208 at 1, 91 Ops. Cal. Atty. Gen. 11 (2008). ("In response to a request made under the California Public Records Act for the names of peace officers involved in a critical incident, a law enforcement agency must disclose those names unless, on the facts of the particular case, the public interest served by not disclosing the names clearly outweighs the public interest served by disclosing the names.")

- 4) Records reflecting the nature and amount of any chemical agent, bean bags, direct fired special impact less-lethal munitions, flash bang grenades, any other less-lethal weapons, or firearms used by members of your agency in the October 25, 2011 enforcement actions, broken down by deputy if possible.
- 5) All use of force logs concerning the October 25, 2011 enforcement actions.
- 6) All incident reports, crime reports, mass arrest reports, after action reports, injury reports, supplemental reports, property damage reports, or other reports concerning the October 25, 2011, demonstrations and enforcement actions.
- 7) The operations plan and any other planning documents for the October 25, 2011, demonstrations and enforcement action.
- 8) Any and all records of law enforcement communications during and pertaining to the October 25, 2011, crowd events. This request includes, but is not limited to, all computer records, including records of computer communications as well as records of computer assisted dispatch computer entries; complete audiotapes of all radio communications and dispatch communications on all pertinent channels; all communications reports, dispatch logs and any and all other communications tapes and documents of any kind for the above time period; and records of law enforcement email and cellular telephone communications.
- 9) All individual deputies', operations center and command center logs, other logs, notes, or chronologies prepared during or after the October 25, 2011, enforcement action and demonstration, pertaining to said demonstration and enforcement action.

If portions of the documents are exempt from disclosure, please provide the non-exempt portions.<sup>3</sup> If the documents are available in electronic format please email them to me at [llye@aclunc.org](mailto:llye@aclunc.org) and to my assistant Nishan Bhaumik at [nbhaumik@aclunc.org](mailto:nbhaumik@aclunc.org).
