I, Michael Rhodes hereby declares as follows:

1. I am the Editor of *Community Alliance*, an independent monthly newspaper published in Fresno, California. I have held this position for 9 years. Prior to that, I worked in printing operations for the *Fresno Bee*.
2. Attached hereto as Appendix A are true and correct copies of photographs personally taken by me. None of the photographs I took has been digitally altered in any way, other than perhaps some cropping or lighting exposure in some instances. Each of the photographs fairly and accurately depicts what I observed.
3. Attached hereto as part of Appendix A are true and correct copies of video clips taken from a video that was taken during the June 22, 2006 raid.

I declare under penalty of perjury of the laws of California and the United States that the foregoing is true and correct and was executed this 6th day of November, 2006.
