Re: Execution by Lethal Injection of Arizona Inmate  
(b) (7)(C)

Dear Mr. Thomas:

The purpose of this correspondence is to advise your agency of our intent to receive certain pharmaceutical products from Dream Pharma, Ltd. of London, England. We have placed the order with this company for the purpose of securing the necessary drugs for carrying out an execution warrant issued by the Arizona Supreme Court in the matter of State v. (b) (7)(C)  
(b) (7)(C)

In order to proceed with the execution we must have the products ordered through Dream Pharma. Our DEA Registration number is: NEC and it expires June 30, 2013. The execution is set by the court for October 26, 2010, and our agency is mandated to advise the court that it possesses the necessary chemicals for the lethal injection protocol as approved, no later than October 1, 2010.

Any steps your agency can take in attending to this shipment expeditiously would be of great assistance to our agency in its effort to abide by the court-ordered dates set by the court. Should your agency have any questions, do not hesitate to contact my office directly at (602) 542-5225 or after normal business hours through our command center at (602) 542-1212.

Thank you in advance for your professional assistance with the processing of this shipment.

Sincerely,

Charles L. Ryan  
Director
