TO: OPEN LETTER TO THE RODRIGUEZ HIGH SCHOOL COMMUNITY

On March 2, 2007, two groups of students were approached and photographed by officers of the Fairfield Police Department.

We are writing to the school community to let you know that neither the Department nor the administration at Rodriguez High School has any current information to indicate that any of these students is a gang member. None of these students has any criminal history in the City of Fairfield and none is a suspect in a criminal investigation.

As a result of discussions with the parents of the students who were involved, the Fairfield Police Department and the Fairfield-Suisun Unified School District will be adopting policies to clarify the procedures for law enforcement activities on campus.

Sincerely,

Sincerely,

Kenton W. Rainey  
Chief of Police  
Fairfield Police Department

Toni Taylor
