

The following chart shows the accomplishments of the **Targeted Enforcement Task Force II** assigned to the Homicide Section:

Murder Suspects Arrested	16
Attempted Murder Suspects Arrested	12
Murders Interrupted/Prevented	5
Guns Recovered during Enforcement Stops	115
Homicide Cases Cleared Through Arrests	16
Electronic Surveillance (Stingray) Arrests	19

**Stingray Operations/ESU Arrests**

- Nine (9) subjects wanted for 187 PC
- Three (3) subjects wanted for 664/187 PC
- Two (2) subjects wanted for 245(a)(2) PC (ADW shooting)
- Four (4) subjects wanted for 211 PC
- One (1) subject wanted for 207 PC (kidnapping)
- One (1) subject wanted for 136.1(c)(1) PC (intimidation of a witness)

**Witnesses located**

- Thirty three (33) homicide witnesses were located.

**Search Warrants, Probation/Parole Searches**

- The TETF II has conducted or assisted 15+ searches, excluding Stingray operations.

**Recoveries**

- The TETF II has recovered or assisted in the recovery of 75+ firearms.

**Significant Accomplishments**

- TETF I continued to support the Alameda County’s prosecutions from 2008’s Nutcracker wiretap investigation.
- TETF I was also instrumental in obtaining and performing wiretap investigations in the high-profile murder investigations, such as the Hassani Campbell case.
- TETF I continued to be a leader in the field of electronic surveillance to include vehicle trackers and Pen Registers, which provided information which often proved to be invaluable in ongoing narcotics and violent crime investigations.
