John,

I know we just talked but wanted to be clear. Think I got it figured out how to pay England. Will need specific information on quantity, order numbers, company license number, total costs and location/address to send bill. One important fact I learned is that if shipping or customs fees is itemized on their bill it gets into some state bureaucracy we want to avoid. Ask them if they can just include the costs of shipping directly in the bill without itemizing it. When I get the information I will have necessary paperwork done immediately to affect payment. Thx

Within thirty (30) days after receipt of such notice, the Indemnitor will give notice to the Indemnitee whether i the Indemnitor agrees to indemnify the Indemnitee and undertake, conduct and control, through counsel of its own choosing and at its own expense, the settlement or defense of such Claim, ii to reserve its rights to

indemnify the Indemnitee and undertake, conduct and control, through counsel of its own choosing, the settlement or defense of such claim, or iii to affirmatively refuse to indemnify the Indemnitee. If the Indemnitor takes the actions described in subparagraph i or ii immediately above, the Indemnitee will cooperate with it in connection therewith provided, however, that the Indemnitee may participate in such settlement or defense through counsel chosen by it provided, further, however, that the fees and expenses of such counsel will be borne by the Indemnitee. The Indemnitor will not, without the written consent of the Indemnitee, settle or compromise any action if such settlement or consent will impose any obligations on the Indemnitee. If the Indemnitor fails to take the actions described in subparagraph i or ii immediately above, the Indemnitee will have the right to contest, settle or compromise any claim without the consent of the Indemnitor provided, however, that in such case, the Indemnitee will not waive any right to indemnity therefor pursuant to this MSA. In all events, the Indemnitee and Indemnitor will cooperate fully in all aspects of any investigation, defense, pretrial activities, trial, compromise, settlement or discharge of any claim in respect of which indemnity is sought hereunder including, but not limited to, providing the other party with reasonable access to employees and officers including as witnesses and other information necessary for defense of the claim.

Section 7. Miscellaneous.

Section 7.1 Independent Status. [REDACTED] status will be that of an independent contractor and not that of a servant, agent or employee of the Client. The Client is not responsible for the payment of employer-related taxes which may be imposed with respect to any employees or agents of [REDACTED] including, but not limited to, FICA, unemployment taxes, state and federal income tax withholding payments.

Section 7.2 Non-Raiding. During the Term and for a period of one (1) year after the expiration or termination of the Term, both Client and [REDACTED] will not offer employment to, employ or enter into a services arrangement, as an independent contractor or otherwise, with any person employed by the other party during the Term that is or was directly or indirectly involved in the performance of any of the Services. The parties recognize that any breach of this Section 7.2 may cause irreparable injury to the goodwill and proprietary rights of either party, inadequately compensable in monetary damages. Accordingly, in addition to any other legal or equitable remedies that may be available to a party hereunder if the other party threatens to breach or breaches any provision of this Section 7.2, the parties agree that the non-breaching party will be entitled to seek and obtain immediate injunctive relief in the form of a temporary restraining order without notice, preliminary injunction or permanent injunction against the breaching party to enforce this provision and to enjoin any violation or threatened violation of this provision. Either party will be required to post any bond or other security and will not be required to demonstrate any actual injury or damage to obtain injunctive relief from the courts.

Section 7.3 Counterparts. This MSA may be executed in one or more counterparts, including a facsimile counterpart with a printed acknowledgement of receipt received, or an e-mail counterpart with a printed acknowledgement of receipt received, each of which will be deemed to be an original, but all of which together will constitute one and the same MSA. Only one counterpart signed by the party against which enforceability is sought needs to be produced to evidence the existence of this MSA.

Section 7.4 Severability. If a court of competent jurisdiction makes a final determination that any term or provision of this MSA is invalid or unenforceable, and all rights to appeal the determination have been exhausted or the period of time during which any appeal of the determination may be perfected has been exhausted, the remaining terms and provisions will be unimpaired and the invalid or unenforceable term or provision will be deemed replaced by a term or provision that is valid and enforceable and that most closely approximates the intention of the parties with respect to the invalid or unenforceable term or provision, as evidenced by the remaining valid and enforceable terms and conditions of this MSA.

Section 7.5 Assignment. either party may assign or delegate this MSA without the express written consent of the other party, except that either party may assign, delegate or transfer this MSA and all of its respective rights and obligations under this MSA to any business entity that by sale, merger, consolidation or otherwise acquires all or substantially all of the assets of such party to which this MSA relates provided that such assignee of the party shall be reasonably qualified to perform the Services hereunder and shall have assumed in writing all of the assignor's obligations under this MSA. Upon such assignment and novation as provided hereunder, any such successor entity will be deemed to be substituted for the assignor for all purposes of this MSA.

Section 7.6 Modification. This MSA may not be modified, amended, or waived in any manner except by an instrument in writing signed by all parties to this MSA.

Section 7.7 Governing Law, Venue and Jurisdiction. The validity, performance, enforcement, interpretation and any other aspect of this MSA will be governed by the laws of the State of Indiana, notwithstanding the choice of law provisions of the venue where the action is brought, where the violation occurred, or where the Client may be located. The Client agrees and consents to the exclusive jurisdiction of any state or federal court located in Indianapolis, Indiana, and waives any defense of lack of personal jurisdiction or improper venue to a claim brought in such court, except that [REDACTED] may elect, at its sole discretion, to litigate the action in the county or state where any breach by the Client occurred or where the Client can be found.

Section 7.8 Headings. The headings of the Sections of this MSA are inserted for convenience only and will not be deemed to constitute part of this MSA or to affect the construction of this MSA.

Section 7.9 Force Majeure. [REDACTED] will be relieved of its obligations under this MSA if, despite its reasonable effort to do so, it is unable to perform its duties hereunder as a result of acts of God, war, fires, terrorism, public enemies, seizure under legal process, strikes, lockouts, riots and civil commotions or any other reason beyond the control of [REDACTED]

Section 7.10 Offsets. The Client waives any existing and future claims and offsets against payments due [REDACTED] hereunder, and agrees to pay such amounts regardless of any offset or claim that may be asserted by the Client or on the Client's behalf.

Section 7.11 Binding Effect. This MSA will be binding upon and inure to the benefit of the parties hereto, and any permitted successors or assigns thereof.

Section 7.12 Survival. The rights and obligations set forth in Sections 1.4.1, 4.2, 4.4, 4.4, 4.1, 2, and 1 through 1 inclusive will survive termination or expiration of this MSA.

Section 7.13 Waiver. The waiver by any party of compliance by any other party with any provision of this MSA will not operate or be construed as a waiver of any other provision of this MSA whether or not similar, or a continuing waiver or a waiver of any subsequent breach by a party of a provision of this MSA. Performance by any party of any act not required of it under the terms and conditions of this MSA will not constitute a waiver of the limitations on its obligations under this MSA, and no performance will estop that party from asserting those limitations as to any further or future performance of its obligations. The Client acknowledges and agrees that every breach of this MSA or any similar agreement entered into between [REDACTED] and a third party is unique. Therefore, the failure of [REDACTED] to enforce the same, similar or different restriction in a similar agreement or to seek a different remedy or any other act or omission by [REDACTED] will not be construed as a waiver or estoppel to the enforcement of this MSA against the Client.

Section 7.14 Notices. All notices and other communications provided to any party hereto under this MSA will be in writing or by facsimile and addressed or delivered to such party at their addresses below. Any notice, if mailed and properly addressed with postage prepaid, will be deemed given three business days after being sent any notice, when transmitted by facsimile if sent during normal business hours of the recipient, will be deemed given on such day if receipt is confirmed and if not so confirmed, then on the next business day any notice, if delivered by hand or courier, will be deemed given when delivered to the address set forth thereon any notice, when transmitted by confirmed electronic mail if sent during normal business hours of the recipient, will be deemed given on such day if receipt is confirmed and if not so confirmed, then on the next business day , and addressed as follows:

My read of the attached is that it is a service contract and not a purchase as suggested in Scott's note. Additionally, it contains language that I suspect the State would not agree to include full indemnification of the contractor. Lastly, my guess is this would follow the NCB process and likely far exceed our delegated authority.

Before I respond to Scott I am interested in your thoughts.

Steve,

Thanks for your help. Needs to be addressed confidentially.

I assume the 3 year noted in the agreement is standard. Fact is we are buying enough of the drugs to last until 2014 and would not think, but not impossible, that we would need any more during the three years. So one time transaction.

I'll have to get back to you on cost. Don't know.

The contractor would facilitate the one time purchase of the drug and we would take possession for storage at SQ. no need for them to store it.

Auto forwarded by a Rule

Scott,

Here is our take on the issue:

- The attached MSA is a vendor provided agreement covering a number of services, which, based on your note below, we should not sign.
- Based on your note this appears to be a straight purchase and not a service contract. Consequently, if ██████████ is in fact the vendor of choice, we will need to see if they will accept a CDCR issued purchase order.
- If you want to pursue a non-competitive bid purchase, then a justification will need to be developed explaining why this cannot go out for bid.
- The dollar value of the purchase will dictate required approvals:
 - Less than \$5,000 can be approved by OBS without an NCB.
 - If the purchase is \$5-25,000 an NCB will be required, but will not require DGS review / approval.
 - If the purchase is in excess of \$25,000 then DGS review / approval will be required.

Hope this helps!

This is a "agent" firm in [REDACTED] that would facilitate the procurement of drugs internationally. I need to know if this is something we could do or if there are legal/procurement rules that preclude us entering into such a non-competitive bid process for these services. Please advise.

Hi John,
I think What Arizona had done was almost bullet proof.
I have attached the documentation that Arizona had send me to included them in their shipment.
I think this is something you can do.
Please note the contact people are all in Arizona, you need to change those contacts to California and write a similar letter.

We use FedEx as a transportation company, however, Arizona had requested the following:

Fed Ex is not to use their own/contracted Customs Broker to process the shipment. Fed Ex shall document on all necessary areas relating to this shipment the following customs broker selection:

[REDACTED]

The Port of Entry shall be Phoenix, Arizona, without fail.
If Fed Ex ships first to their hub in Memphis, Tennessee, that Port shall only be the Port of Unladen, not the Port of Entry.
Fed Ex shall contact our Customs Broker, provide them all necessary shipping information and enter our Customs Broker's information on all necessary forms.

John,
If you do what Arizona had done, you should not have any problem.

Sir

I am forwarding this email to you for your record. CDCR would like to know if this process of obtaining the thiopental (Duty, Broker, any additional fees to include [REDACTED] fees) could be billed to CDCR as one invoice? Additionally, can you give a possible estimate as to how long this process will take before we receive the thiopental? Again, thank you for your assistance.

Thank you. I'll make DEA's import/export unit aware of this matter.

Thank you for the list of companies listed with the DEA to import Thiopental. We have contacted [REDACTED] who has initially agreed to procure the Thiopental from London . We gave [REDACTED] your email as a point of contact with DEA since you know exactly what we have been doing and to whom we have been in contact with in your Department. Again thank you for your help and assistance.
